

Phase 4 – Get connected PROD

Step 1 – Configuration of Roles and Rights in TastSelv Erhverv

DMS Import

Onboarding mini guide for System-to-System users

Step 1

Roles and Rights in TastSelv Erhverv

To complete this step, you must configure the roles and right and set up a system user through TastSelv Erhverv. This is only if you do not already have a system user configured, because you are already submitting H7 declarations. You can reuse the system user you have set up for DMS Export and Transit if you wish.
